

Attention Parents! Athletic Forms on SKYWARD!

All **athletic paperwork** can now be filled out online and turned in on SKYWARD.

To do this you need to know your parent login info. You can get login info from the Guidance Office.

You (the Parent) will need to log in.

You will be prompted if your student has not completed their athletic forms.

Select “complete paperwork”. Follow the steps provided to complete the paperwork.

Electronic signatures and dates are required from the **Parent** and the **Student**.

The physical form must be **printed, then completed by the doctor,** and returned to the school.

Please input all required information or the form will not be submitted, which will delay your student’s practice time.

After completion, your student will be ready to participate in fall sports. Thank you for your cooperation. This will help speed up the process of Athletic/Afterschool Activities Paper work.

During Registration and Bantam Pride Night, computer labs will be open and Coaches/Staff will be on hand to help with filling out the online paperwork.
