2. A single letter of recommendation, you can have more.
3. Complete Skyward High School and Beyond Plan

  - b. Students are allowed to upload documents and such to complete process
4. An electronic presentation of the following (electronic presentation can be TikTok with powerpoint, video, etc...)  
Presentation must be at least 3 minutes long.

  - d. What do you think you can do to contribute to society or community short term and long term?
