

## **WSU GEAR UP serving the CHS Class of 2023!**

The WSU GEAR UP program at Clarkston High School provides support and services to the graduating Class of 2023. The GEAR UP mission is to help students prepare for and succeed in high school, higher education, and their future.

The GEAR UP program provides academic services such as tutoring and homework assistance, college and career counseling, preparation for college entrance exams and requirements, college campus visits, college financial planning, summer academic and enrichment programs, assistance with college application process, assistance with FAFSA, and more.

In addition, GEAR UP offers services to the families of GEAR UP students. These services includes family college events, information on colleges and careers, evening workshops and activities, family financial college planning, guidance on college admissions, and more.

### **GEAR UP in the 2020-2021 School Year:**

Currently, GEAR UP tutors are working from home until further notice. CHS students in need of tutor support in the form of homework help and test preparation can contact Mr. Sobotta in the CHS GEAR UP room or by email at [psobotta@earlyoutreach.wsu.edu](mailto:psobotta@earlyoutreach.wsu.edu). Mr. Sobotta will help schedule an appointment with a tutor. These sessions will utilize Google Meet or Zoom on a student's non-school day or on a weekday evening.

Please feel free to contact the CHS GEAR UP program at 509-769-6348.
